

COMMUNITIES ARE KEY TO ENDING AIDS

Join the Alliance at ICASA 2017

We will not end AIDS unless we invest in community-led, joined up responses to HIV and sexual and reproductive health and rights. Join us at ICASA 2017 to hear how communities are taking action and delivering differently to end AIDS in Africa. We are hosting a series of events throughout ICASA and look forward to seeing you there!

Don't forget to visit our booth in the Community Village.

Community Actors Speak Out – the role of community action in delivering the Sustainable Development Goals

▶ Satellite session

DATE AND TIME: Monday, 4 December, 14:45 - 16:45

ROOM: Prof. Kouadio Auguste (Salle des fêtes)

The Partnership to Inspire, Transform and Connect the HIV response (PITCH) invites you to an open dialogue on the importance of supporting and investing in community responses for achieving the SDGs. Hear how communities are delivering on the SDGs from speakers with first-hand experience in this area, including Syrus Ajuna from the Uganda Harm Reduction Network and Phindile Andile Nhleko from the Swaziland Network of Young Positives (SNYP+).

An Open Space – community-led sexual health and human rights programming for LGBTQI people and MSM

▶ Satellite session

DATE AND TIME: Friday, 8 December, 10:15 - 12:15

ROOM: Dr. Peter Piot (Balafon)

The Alliance's Rapid Response Fund & ViiV Healthcare's Positive Action Programme for MSM & Transgender People are partnering on a unique peer-to-peer capacity building meeting at ICASA. Come along to our 'Open Space' session, facilitated by Haidari Hamis Msigwa from Tanzania and Innocent Laison from Senegal. The Open Space is targeted at LGBTQI and MSM-led community-based organisations; participants will set the agenda with discussion sessions based on those topics they consider most important. **Individuals who have had limited opportunities for peer-to-peer learning, those with little or no experience of international conferences, and/or new or small-scale organisations, are particularly welcome.**
